

RESOLUTION OF THE BOARD OF DIRECTORS

With profound sorrow the Board of Directors of the American Camping Association records the passing of its beloved associate, Dr. Hedley Dimock.

"He was one of the pioneers in the development of Camp Standards. Through his wisdom, understanding and tactfulness, he provided the foundation for the present Standards Program.

His contributions were in many directions. He developed programs for leadership training, and provided methods for thoughtful and skilled supervision. Through his teaching, and through his spiritual guidance, he has developed leaders that will enrich the lives of the hundreds with whom they are associated."

With our sincere sorrow for the loss which has been sustained by the American Camping Association, there also is a realization of the personal loss which has affected each of us who had the privilege of working with him.

Be it resolved, therefore, that this expression of sympathy be spread upon the minutes of this meeting, and a suitable copy sent to the family of Hedley Dimock.
